# How to use the bibliographic database?

## **Website address**

http://forumcoquilles.free.fr/index.php

## On-line date:

Website created and uploaded on-line since mid-June 2017

## **Objectives of the database**

- 1) To conduct bibliographic searches
- 2) To download papers in PDF format
- 3) To extract bibliographic lists in TXT or PDF formats

## General presentation (home page)

Number of papers currently listed

Total: 8772 références, le Dimanche 2 Juillet 2017

## **Browsing**

To return to the home page, please click on top left picture, at any time.

This also allow to reinitialize the search.

#### How to make a search?

Enter any keyword in the search cell, then click on OK button (or strike the ENTER key on the keyboard)

In below example, the search is for an author (Lapierre H.)

You can enter any type of key word (geological level, genius or species name, etc...) as long as it is referenced in the database.

Details of the search

Number of papers found:

Total sur ce mot-clé : 5 références

#### List of the papers:

You can click on the link **Extraire au format PDF**, to obtain a PDF status, listing all the papers listed in the bibliographic database.

Extraire au format PDF

Numéro	Année de publication	Auteurs	Sujet
6008	1980	LAPIERRE H.	\\\"Les otolithes de téléostéens du niveau à galets de l\\\'Auversien de Baron (Oise).\\\" Bulletin d\\\'Information des Géologues du Bassin de Paris: 17(2) 70.
489	1975	NOLF (D.), LAPIERRE (H.)	Les otolithes de Téléostéens des sables coquilliers du Bois-Gouët (Eocène de Bretagne) – Biol. Jb. Dodonaea, 44, 1976, pp. 256-268, pl.h.t. I-II, 1 tableau
490	1979	NOLF (D.), LAPIERRE (H.)	Otolithes de Poissons nouveaux ou peu connus du Calcaire Grossier et de la formation d'Auvers (Éocène du Bassin parisien) – Bull. Mus. nat. Hist. nat., Section C, Paris, 4ème série, 1 (2), 1979, pp. 79-125, pl. I-VI, 1 text-fig., 1 tableau
162	1979	Nolf, D., & H. Lapierre	Otolithes de poissons nouveaux ou peu connus du Calcaire Grossier et de la Formation d'Auvers (Eocène du Bassin parisien). Bull. Mus. natn. Hist. nat. Paris (4)I (C) 2: 79 125, 1 fig., pl. 1 6.
1505	1968	GINSBURG L, LAPIERRE Francis & MONTENAT Christian	Une faunule de Mammifères principalement remaniées dans le Lutétien de Damery (Marne). Bulletin du Muséum National d'Histoire Naturelle, 2ème série, tome 39, n° 5, 1967 (1968), pp. 1003-1006.
